Motorola GUIDE

Just landed?

Turn on your eSIM

For Motorola only. Do it in this order and **get online in 2 minutes**: 👇

✈️
STEP 1

When you land

Turn on your eSIM in **2 minutes**.

Pages 2 and 3 ›

🛟
NO DATA?

3 ten-second checks

Still nothing? Pick the network by hand.

Pages 4 and 5 ›

🌍
NETWORKS

The best network in each country

Find your country or your regional eSIM.

Page 6 ›

Before you start, check:

✅ You are already in your destination country

✅ Your eSIM is already installed

⬇️ Ours is always the last one on the list, even if it doesn’t say «MiSimCard» and has a different name

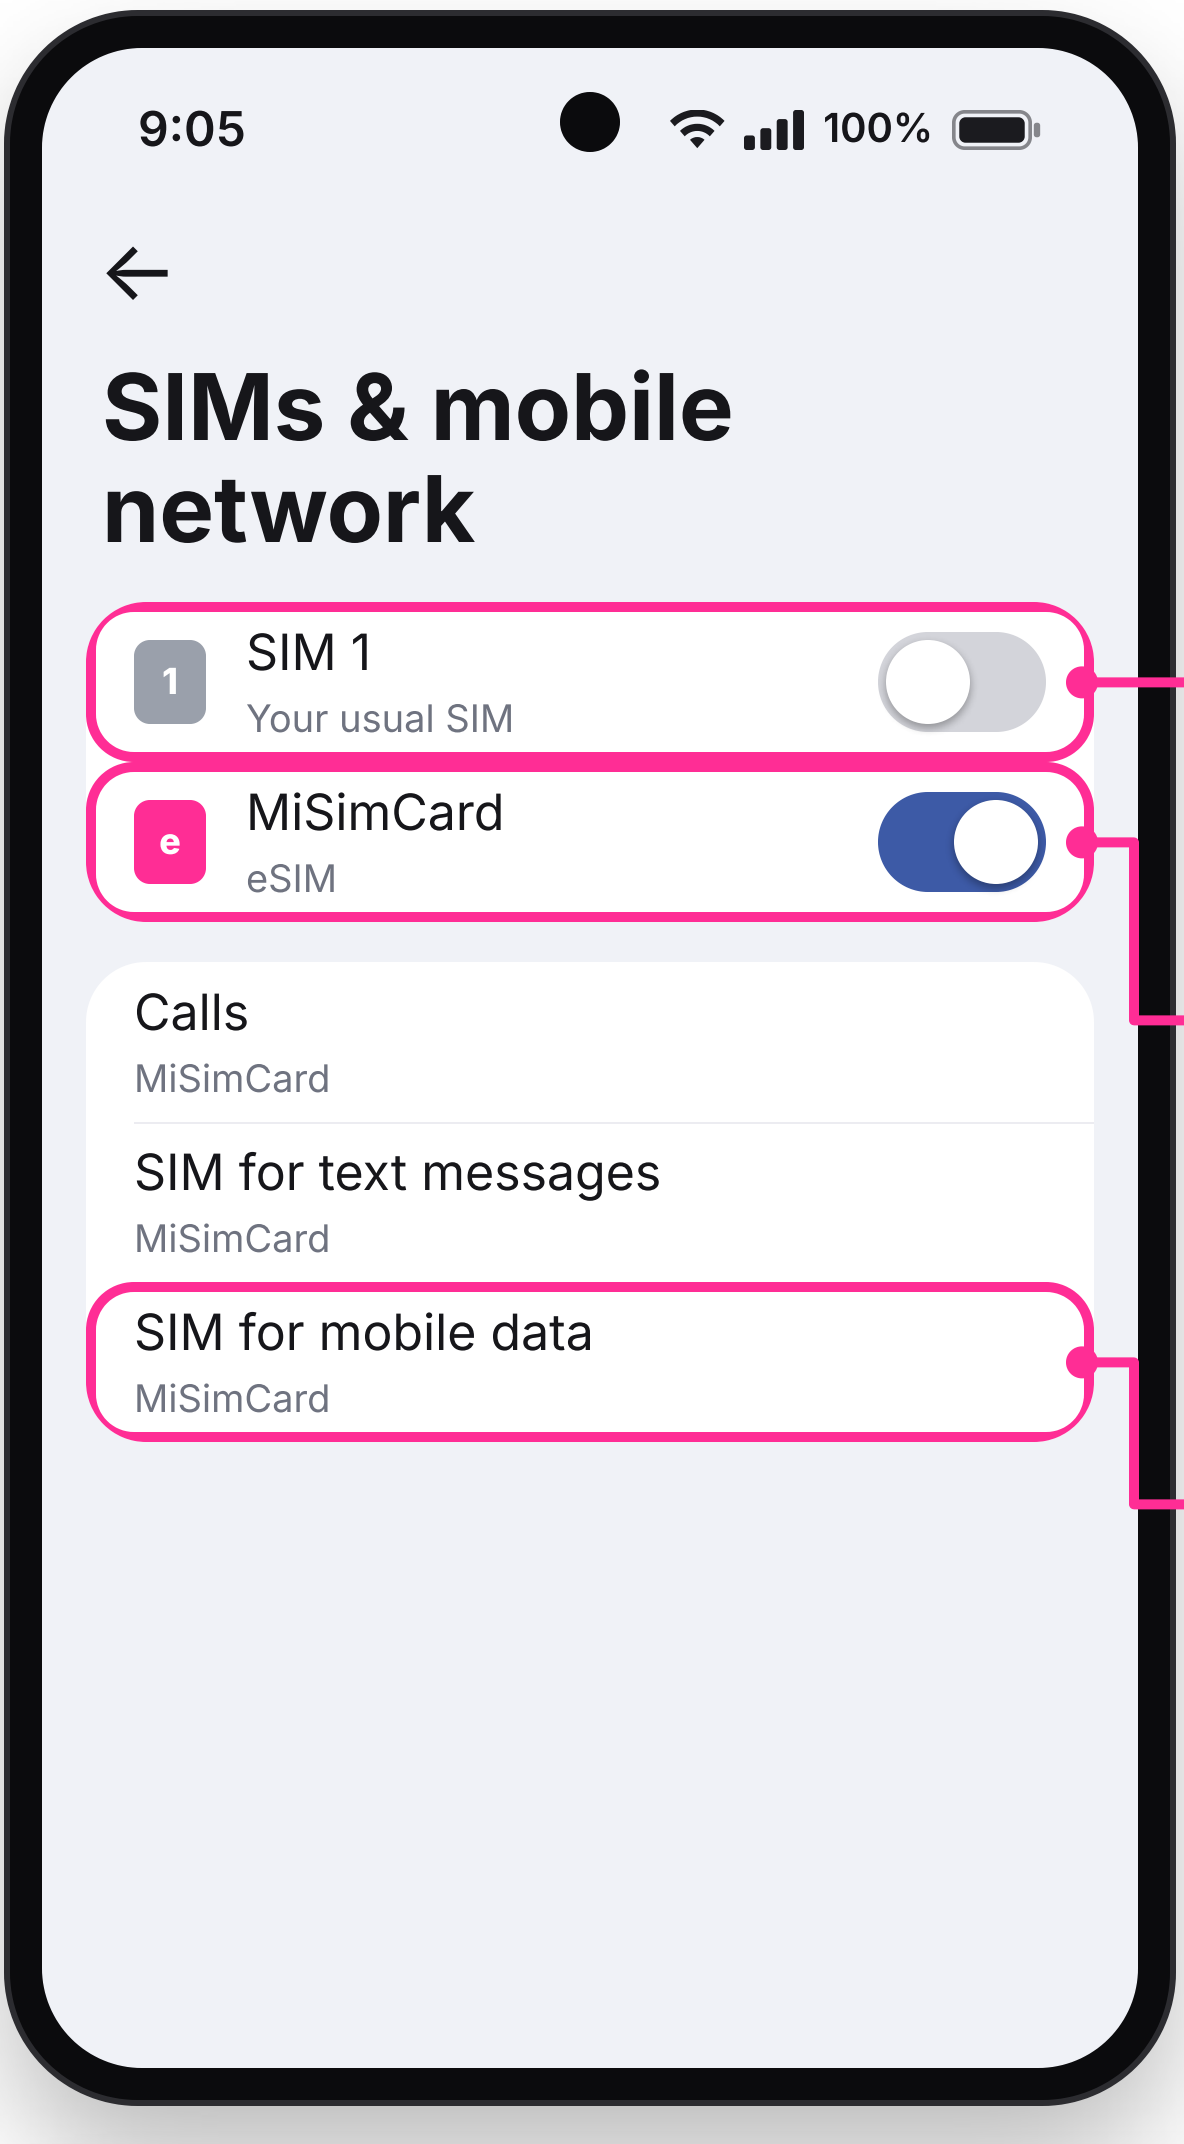

💬 Your WhatsApp keeps working with your usual number

✈️ WHEN YOU LAND

Step 1: choose MiSimCard for your data

✈️ First, **turn off Airplane mode**. Then go here:

⚙️ Settings › Network & internet › SIMs & mobile network

1 Off

It’s your usual SIM: **turn it off**

2 On

It’s your eSIM: **always the last one on the list**. Then tap its name

3 ✓ MiSimCard

Tap it, choose «MiSimCard» and turn off **«Switch SIM automatically»**

⬇️ **Ours is always the last one on the list**, even if it doesn’t say «MiSimCard» and has a different name.

👆 **Now tap row 2: «MiSimCard»**
Step 2 is there.

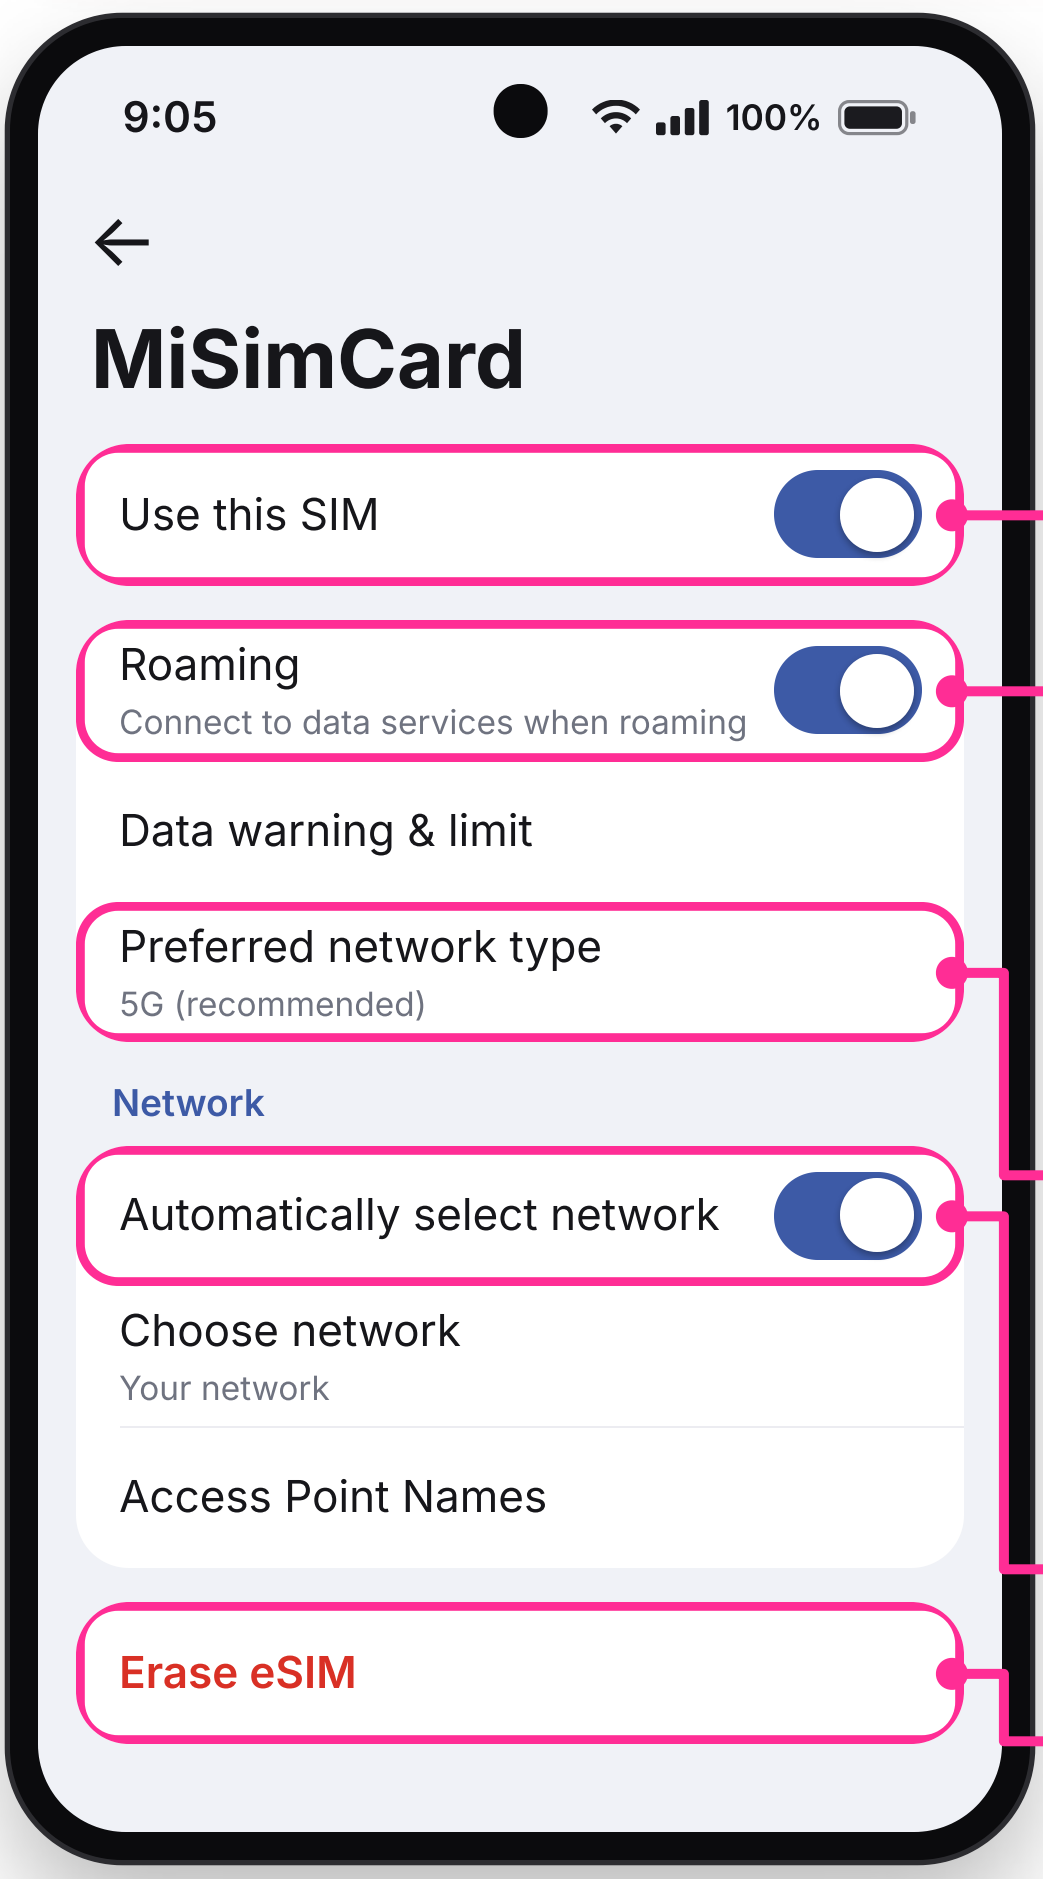

Go ›

✈️ WHEN YOU LAND

Step 2: set up your MiSimCard line

⚙️ Settings › Network & internet › SIMs & mobile network › MiSimCard

⬇️ **Ours is always the last one on the list**, even if it doesn't say «MiSimCard» and has a different name.

Step 3: restart your phone

🔄 Turn it off and on again. In 1 or 2 minutes you'll see signal: **you're online!** 🎉

🛟 No data?

Do the 3 ten-second checks. Go ›

🛟 NO DATA?

3 checks of 10 seconds

Check them in order. **This fixes it almost every time.**

1 🌍 Roaming On

Settings › Network & internet › SIMs & mobile network › MiSimCard › Roaming

No extra cost: it’s included in your plan.

2 📶 SIM for mobile data ✓ MiSimCard

Settings › Network & internet › SIMs & mobile network

Ours is always the last one on the list, even if it doesn’t say «MiSimCard» and has a different name.

3 🔄 Restart the phone

Turn it off, wait 10 seconds and turn it on again. **Wait 2 minutes.**

✅ **Online now? Have a great trip!**
Don’t change anything else.

📡 **Still nothing? Pick the network by hand**
It’s the last step. Page 5. Go ›

🛬 **Not at your destination yet?** It’s normal to have no data: your eSIM only connects there.

✈️ When you land › 🛟 No data?

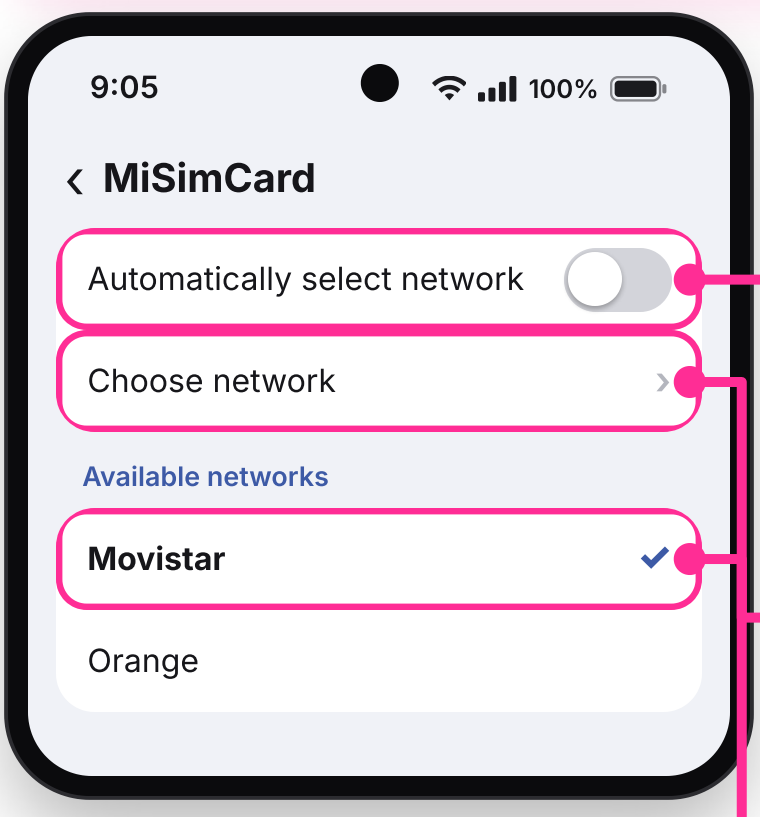

📡 LAST STEP

Pick the network by hand

Only if the 3 checks didn’t work. Connect your eSIM to the ★ **best network** in your country:

Settings › Network & internet › SIMs & mobile network › MiSimCard

⬇️ **Ours is always the last one on the list**, even if it doesn’t say «MiSimCard» and has a different name.

1 🔘 **Off**

Turn off «Automatically select network».

2 ✓ **Choose network**

The list opens by itself (if not, tap it). It takes **1 or 2 minutes**

3 ✓ ★ **Best network**

Tap the ★ best network in your country. Example in Spain

🔄 **Always: restart the phone**
After choosing the network. Done, it will work!

🌍 **Find your country on the list**
Pages 7 to 40: countries A to Z and regional eSIMs.

Go ›

❓ **No networks showing?** Restart the phone, come back here and wait 2 minutes: they will show up.

🔁 **Restarted and still no data?** Choose network **2** for your country and restart again; if that fails, network **3**. If none works, turn «Automatically select network» back on and restart.

⚠️ **Going to another country?** Turn «Automatically select network» back on before crossing the border, then restart the phone.

NETWORKS BY COUNTRY

Choose the ★ best network and set it by hand (page 5)

Where are you?

Going to the **United States** or **Europe**? Tap its button. For any other country, tap its first letter. If you bought an eSIM for **several countries**, look for it under **Regional eSIMs**.
